Dear friends, family, and members,

KASL has joined the Amazon Smile program which supports local 501c3 charities such as ours. KASL will be awarded 0.5% on all your purchases. While a half a percent doesn't sound like much, we know hundreds of everyone's friends and families use Amazon monthly. All we are asking is for you to help spread the word to as many people as possible through your social media outlets.

For many of us who shop through Amazon; why wouldn't we want an organization such as ours the opportunity to provide additional support to our roughly 1600 members and 200 coaches and assistant coaches. Our goal is to provide better training, new equipment, better field conditions, support additional hardship need, along with other loftier goals such as but not limited to Top Soccer.
